SIR,

Subject:- The Mysore Silk Association - Subvention - 1933-34.

I have the honour to state that Government were pleased to sanction a subvention of Rs.1,000/- to the Mysore Silk Association during the year 1932-33 (vide G.O.No.D.894-5/Seri.6-32-4 dated 27th August 1932).

I submit herewith for the information of Government copy of letter dated 23-12-1933 received from the President of the Mysore Silk Association (together with a copy of its enclosure). He requests the grant of a similar subvention during the current year and has explained the need for the subvention. The Association had to spend a large sum in connection with the organisation of the recent Sericultural Conference at Channapatna. I am of opinion that the subvention of Rs.1,000/- asked for this year is necessary if the Association is to continue to do useful work during the rest of this year.

I therefore request you kindly to obtain the sanction of Government to the ~~Grant~~ grant of a subvention of Rs.1,000/- to the Mysore Silk Association ~~dy~~ during the current year. The expenditure will be met from the provision of Rs.1,000/- made for the purpose in the current year's budget of the Sericultural Department under "I Direction [illegible] intendence - Subvention to Mysore Silk Association".

DEVELOPMENT BRANCH

Copy of letter No.277 dated 23rd December 1933 from the Hon. President, Mysore Silk Association to the Director of Industries and Commerce in Mysore, Bangalore.

In requesting you to kindly obtain the sanction of Government for a subvention of Rs.1,000/- to meet the expenses of the Association for the current year, I have the honour to state as follows:

2. In their order No.D.894-5/Seri.6-32-4 dated 27th August 1932 Government were pleased to sanction a subvention of Rs.1,000/- for the previous year 1932-33. As against this grant, the actual expenditure incurred by the Association during the year amounted to Rs.1,100/- as per statement herewith attached. Besides this, an expenditure of Rs.1,075/- has been incurred up to date during the current year as detailed in the same statement. The Association has to incur an expenditure of Rs.400/- per annum towards the expenses of printing, postage &c., of the fortnightly Market Report. The establishment charges of the Association amount to about Rs.360/- per annum. In connection with the Sericultural Conference recently held at Channapatna, the Association has had to supplement the donations received for the Conference by a liberal contribution from its funds. These items of expenditure have almost exhausted the last year's grant as also the surplus of previous years; and a grant of at least Rs.1,000/- is required for the Association to meet its expenses during the rest of the year.

3. Both yourself and the Government are well aware of the good work that is being done by the Association for the promotion of the Sericultural Industry in the State. The enclosed copy of the report placed before the General Meeting of the Association held at Channapatna on the 26th ultimo gives a brief account of the activities of the Association. In recognition and appreciation of the good work done by the Association, the Government have been pleased to give it the privilege of returning a member to the Representative Assembly, as announced by the First Member at the recent Sericultural Conference. In the circumstances, I request that you will be so good as to obtain the sanction of Government for the grant of a subvention of At least Rs.1,000/- to meet the expenses of the Association for the current year.
